

SFSS email group guidelines

In short:

- **Be a good citizen** – Treat others with respect.
- **Stay on topic** – Keep your content relevant to the group.
- **Follow the law** – We don't want any trouble here.
- **Know who will be reading your messages** - The group is not restricted to students, Tutors and Kingham Hill School staff may see your messages!

Allowed Topics

- Any subject relating to SFSS Events and courses (Easter, October Weekend)
- Any subject relating to playing or making music, recording, performing, sessions, etc. Not restricted to Bluegrass or Old Time, let's open it to acoustic music!
- Contacting fellow students or locating like-minded musicians in your area

Things we'd like to avoid

- Tour, Gig and Concert adverts unless they have a particular relevance to Sore Fingers.
- In general terms, events or services that compete with activities run by Sore Fingers Summer Schools.
- Sales, this is not the place to find a buyer for your old car or fridge! But selling your banjo is fine.
- Complaints! Constructive criticism is welcomed but slagging off isn't. Send your complaints to those who can do something about it, John or Moira Wirtz.

Here's how you can get the most out of our Group

- **Share what you know** - Chances are, someone can benefit from what you have to contribute.
- **Be courteous** - Everyone wants to be treated with respect, and showing respect to others makes our group better for all members.
- **Post your own content** - Have the other group member's permissions before re-posting their content. This goes for you too, moderators.
- **Have a good time** - When people behave responsibly and respectfully our group thrives and everybody wins.

Sore Fingers Summer Schools
